## Lakeland FASD Summer Camp

It is important for all children to have camp opportunities and positive experiences without the fear of rejection. Join the excitement this summer at Lakeland FASD Summer Camp!

It is our long term goal that our children will discover positive life experiences and develop social skills.

The camp is designed to offer opportunities to encourage new hobbies and build positive support systems. The children will be involved in a variety of crafts and activities including water sports and exploration of the environment, which will be both entertaining and educational. Through routine and repetitive responsibilities, we will be teaching daily living skills.

It is our focus to provide a fun and safe environment where children with FASD can be themselves.
