

Are you a youth or adult (12-40 years) with FASD who has accessed mental health services?

# WE WANT TO TALK WITH YOU!

We would like to do a **30-45 minute phone or Zoom interview** with you about your experiences with mental health services as part of our research study. Recorded with your permission.

**If you are interested in participating or would like more information, please email with subject line: IMPACT FASD Study**

**Email us!**
