Seeking Adults with FASD for Collaborative Research Project

Your expertise is needed to guide a doctoral project that will help promote lived experience-centred FASD advocacy and policy making.

Who Can Participate?

- Must be 18 years of age or older
- Must live in Canada
- Must be fluent in English
- No research experience necessary

What is Involved?

Role: Join a small team of adults with FASD to guide a doctoral project project.

Task: Share your thoughts and feedback on project design and research findings.

Meetings: One meeting every 3 months for one year.

Time: 1 to 2 hours per meeting. No outside work or homework.

Flexibility: Different forms of participation available.

Compensation: You will be paid for your time and expertise.

If you are interested in participating, or if you have any questions, please scan the QR code below.
