## WHAT WE DO

1

### Conduct Research

We conduct research on FASD in the areas of:

Prevention

Intervention

Diagnosis

Justice

Child Welfare

2

### Collaborate

We collaborate with stakeholders such as:

Researchers

Service Providers

Families

Governments

Professionals

Organizations

3

### Develop Resources

We use research to create evidence-informed:

Online training courses for various sectors

Research papers and publications

Issue papers summarizing research

Toolkits for service providers

Resources for individuals and families

& and much more
